

## Pathway to Play Campaign

For 70 wonderful years, Center Day Camp has been a place where campers learn valuable life lessons, develop a strong sense of self and place, and experience great joy. It is incredible to see the impact that CDC has had in the lives of generations of Campers.

As we celebrate our 70th summer, we are excited to offer a way for you to become a permanent fixture of Center Day Camp as we build a pathway to play.

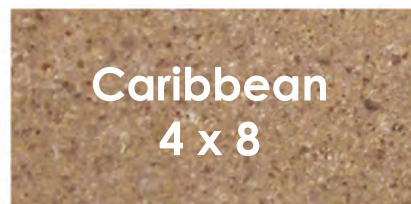

This beautiful, permanent pathway will help Center Day Camp pay to support upgrades and upkeep of our existing infrastructure, ensuring that CDC will be around for another 70 years of magic on the shores of Sebago. Please join us in celebrating this unique opportunity to guarantee that the legacy of your family or company lives on at CDC for years to come!
